

Dear parents and guardians,

I am Simon Rother; physical education teacher at Mountainview Elementary.

This year, the annual Terry Fox Run will take place on Friday, September 26th from 10:10 A.M. to 10:55 A.M. Attached to this e-mail are two permission forms within the same document. Please take a look at them.

As you probably already know, the Terry Fox Foundation is a nationwide organization that annually collects funds to support research to end cancer as well as make a difference for families affected by cancer. In 2022, the fundraising record for Terry Fox was \$2250. The next year, the Mountainview community went above and beyond, raising a total of \$3 953.95. Last year, against all odds, that record was broken again thanks to the incredible determination of the families of Mountainview, cumulating a total of \$4 881.40, and we couldn't be more proud and thankful for all of you that contributed to this massive success. This year, we will once more attempt to outdo ourselves by beating *that* new record.

If you are interested in making any kind of donation, below is the Mountainview Elementary School online fundraiser page on the Terry Fox Foundation website, or scan the QR code:

From the bottom of our hearts, thank you for your donations and support!
