TREES FOR ALL OCCASIONS*.

*According to inventory availability

THE FRASER

Fraser fir is prized for its elegant pyramid shape and bright, solid green needles, making it a common choice for Christmas.

THE BASALM

With its soothing scent and soft needles, balsam fir is used for Christmas decorations and essential oils.

THE WILD FIR

Wild and irregular, the wild fir embodies the natural charm of undomesticated forests, although it is less used for conventional Christmas decorations.

THE MINIATURE TREE

Ideal for small spaces, the miniature Christmas tree retains its shape while being suitable for small environments and table decorations.
