

Toonies for Terry

As you know, on Thursday, September 24th, 2026 (tomorrow), the students of Mountainview Elementary will be participating in the annual Terry Fox Marathon of Hope. The school would like to challenge each student to bring in a “Toonie” (or two or three...) in support of this event on the day of the run, which will then be added to our total funds raised for the Terry Fox Foundation.

So, dig through your change jars, under those couch cushions and perhaps even under the seat of your car (have your friends and family do the same) and send in your donations on Friday, please!

Thank you!

Mountainview Elementary School
